

## **IPCOSAptitude India expands to new office**

Cambridge UK, September 1<sup>st</sup> 2010

After 3 years in the business incubation centre in the SPIC IT Park in Chandigarh, IPCOSAptitude India is expanding and moving to a central location in the city.

Our new office on Madhya Marg in Chandigarh is near the city centre and has been custom built to suit the needs of our engineers and software developers. The office capacity is now 10 and includes a large meeting room with video conferencing facilities.

*“With this relocation we have improved the overall work environment of our Chandigarh facility. We also will benefit from an upgraded IT infrastructure allowing our people to communicate and work more effectively”* commented Sam Dhaliwal, Managing Director of IPCOSAptitude Ltd.

The new office address details can be found on our website [www.ipcosaptitude.com](http://www.ipcosaptitude.com).

### **About IPCOSAptitude**

IPCOSAptitude Ltd specialises in providing software implementation products and services for the fast deployment of Advanced Process Control (APC) and real-time optimisation applications in the oil, gas and chemicals industries. These include APC, process operations analysis, benefit studies, application maintenance and APC training services. The IPCOSAptitude team has significant experience managing large, complex projects and satisfying multiple stakeholders. IPCOSAptitude also develop and license the AptiTune™ multivariable PID tuning software and the INCA Discovery™ constrained model identification package.

IPCOSAptitude, formerly Aptitude Ltd, has contributed to the success of many leading plants and refineries worldwide. IPCOSAptitude is headquartered in the UK and is part of the IPCOS group.
